

# International Aphasia Rehabilitation Conference

June 22-24 • Philadelphia, PA

---

## Poster Session Four

Friday, June 24 | 2:30 PM ET | In Person Only

---

### Using Speech Function Analysis to Explore How Speakers With Aphasia Respond During Conversation Following Communication-Based Group Treatment

Atkers, C.M., Boyle, M., Armstrong, B., & Elman, R.J.

### The Power of Projects: Virtual Project Based Intervention Groups

Hart, J.A., Capo, M., Behn, N., & Hoepner, J.K.

### Art-A-Site!: Report on a Pilot Project Designed to Make Art Museums More Accessible to People With Aphasia

Brackenbury, K.L., Archer, B.E., Davis-Zychowicz, J., & Morgan, M.

### Text Buddy: Conversational Patterns in Texting Exchanges Between Persons With Aphasia and Students in CSD

Lee, J.B., & Azios, J.H.

### Word Retrieval Treatments in Aphasia: A Survey of Professional Practice

Raymer, A.M., & Roitsch, J.

### Using the RTSS to Build a Model of Conversation Treatment

DeDe, G.L., & Hoover, E.L.

### Exploring Graduate Student Experiences of Communication Partner Training for People With Aphasia

Strong, K.A., Kim, E.S., Wilson, C., Kagan, A., & Simmons-Mackie, N.

### Exploring Semantic Networks in People With Aphasia

Niemkiewicz, J., Sandberg, C.W., Beaty, R., & Kenett, Y.N.

### Relationship Between Assessment of Language-Related Functional Activities (ALFA): Understanding Medication Labels Subtest Outcomes and Discharge Considerations in Stroke Rehabilitation Patients

Quezada, C., Gamio, L., Joseph, S., Nizolke, K., & Patel, S.

## International Aphasia Rehabilitation Conference

June 22-24 • Philadelphia, PA

### Aphasia Education: A Missing Component to Recovery for Individuals With Aphasia and Their Families

Castka, K., Goldberg, E., & Szabo, G.B.

### Communication With Healthcare Professional - The Perspectives of People With Aphasia

Kristensen, L.F., Isaksen, J., Bertram, M., Hansen, D., & Nielsen, S.

### The Impact of Aphasia on Friendship: Reflections From Stroke Survivors

Madden, E.B., Bislick, L., Wallace, S.E., Therrien, M.C.S., & Goff-Albritton, R.

### How Scientific Journals Can Make Your Research Accessible to the Aphasia Community

Hinckley, J., & El Khouri, C.

### How Do Speech Language Pathologists Provide Aphasia Therapy When They Do Not Share a Language With the Client? A Scoping Review

Larkman, C., Mellahn, K., Han, W., & Rose, M.L.

### CARE During COVID: Lessons Learned From the First Year of a Virtual Aphasia Centre

Kim, E.S., & Reulling, A.

### Phase II Test Development for a Brief Assessment of Transactional Success in Aphasia: Preliminary Feasibility

Kurland, J., Liu, A., & Stokes, P.

### A Pilot Economic Evaluation for SUpporting Wellbeing Through PEeR-Befriending (SUPERB)

Behn, N., Flood, C., Marshall, J., Simpson, A., Jofre-Bonet, M., & Hilari, K.

### Do Persons With Aphasia Accurately Gauge Their Response to Therapy? A Comparison of Subjective and Objective Treatment Outcomes Following Combined rTMS and mCILT

Vnenchak, L.H., Cason, S.A., Harvey, D.Y., Twigg, P.P., Maniscalco, G., Rosenberg, L., Maher, L.M., Hamilton, R.H., & Coslett, H.B.

### Efficacy of Treating Primary Progressive Aphasia Using Transcranial Direct Current Stimulation Paired With Constraint-Induced Language Therapy

Puzio, P., Phillips, T.O., Harvey, D.Y., Salas, J.A., Maher, L.M., Hamilton, R.H., & Coslett, H.B.

### 'It's About Time': Encouraging Self-Repair in People With Aphasia Promotes Shared Conversational Agency

Archer, B.E., & Leaman, M.C.

## International Aphasia Rehabilitation Conference

June 22-24 • Philadelphia, PA

### Student Learning Outcomes in an Adapted Virtual Intensive Comprehensive Aphasia Program

Mahendra, N., Kim, E.S., Tomlinson, H.A., Schaack, A., Wilson, C., & Cheng, A.

### Comparing Language in the Picnic Scene Picture and in Conversation in People With Aphasia

Leaman, M.C., & Edmonds, L.A.

### A Measure of Object and Action Concepts in the Picnic Scene Picture

Nealon, K., Edmonds, L.A., & Leaman, M.C.

### Rebuilding Identity: A Book Group Experience

Hoover, E.L., Bernstein-Ellis, E., & Meyerson, D.

### People With Aphasia Want to Keep Their Friends, so How Do We Help?

Strong, K.A., Douglas, N.F., Azios, J.H., Archer, B.E., Simmons-Mackie, N., & Worrall, L.

### Providers' Perspectives of Delivering LUNA Remotely to People With Mild to Moderate Aphasia

Moss, B., Dipper, L., Boyle, M., Hersh, D., Marshall, J., & Cruice, M.

### Personalising Lexical Retrieval Treatment Dose in Chronic Post-Stroke Aphasia: Effect on Acquisition and Maintenance of Picture Naming Skills

Harvey, S., Carragher, M., Dickey, M.W., & Rose, M.L.

### Looking at Gesture: The Reciprocal Influence Between Gesture and Conversation

Tetnowski, J.T., Damico, J.S., & Tetnowski, J.A.

### The Effect of Training Abstract Words in a Bilingual Tagalog-English Aphasia Treatment

Veluya, J.O., Sandberg, C.W., & Gray, T.

### Acceptability and Feasibility Results of a Randomised Wait-List Controlled Trial Exploring Solution Focused Brief Therapy in Post-Stroke Aphasia (SOFIA)

Northcott, S., James, K., Thomas, S., Simpson, A., Barnard, R., & Hilari, K.

### CreaTable: Co-Designing and Testing a Tangible Technology With People With Aphasia

Roper, A., Neate, T., Wilson, S., Cruice, M., & Marshall, J.
