

Communication Methods

Speech

- Words are only 7% of total communication.

Gestures

- Body language is 55% of total communication.

Writing

- Write the word if you cannot say it, even if it is just the first letter.

Drawing

- If you cannot say it or write it, try to draw it.
- Remember, everybody can draw!

Vocalize

- Vocalizations are 38% of total communication.

Reading

- Reading is a great way to improve vocabulary.

Choices

- Yes/no choices will help narrow down your message.

Pictures

- Take pictures to visually support your message.

Verify

- Verification is essential! Verify the message to stay on topic and express your message clearly.
