

*It's my speech,
not my intellect.
I'm not stupid.*

I'm so tired of proving myself.

*Do you have
a picture?*

*Don't leave
me out.*

*My life
is not
over.*

*Ask in a way
I can
understand.*

*Please be
patient.*

*Slow down.
One question
at a time.*

*I'm still
me!*
